“ Norma was always looking out for her family and friends. She had such a beautiful soul. We spend a lot of time in the kitchen and man she made the most delicious food! You never left her home hungry. She will be missed very much. She had such an impact on everyone that she will live on forever through everyone. My deepest sympathy goes out to the family, May you ever treasure the wonderful times you had with Norma and my prayers are with you all.

Normal loved every child she put her hands on. She loved mine, and they loved her. To Izzy, Marco and Ben, she loved you boys and was so very proud of you. She lives on in your hearts and memories. I can see her dancing with Jordan right now, laughing and laughing. Rest well Norma, and give my baby boy a smooch....I'll be seeing you.....

Even though I don't know any of the family Normal bough a couch from me a few months ago and I remember what a nice lady she was, she gave me a hug when she picked the couch up and she was so sweet. I was shocked when I seen it in the paper that she had passed. I am so very sorry for your loss
