“ I had some memories pop up today out of the blue and I was remembering Pastor McVay from wawasee heights Baptist church in Syracuse Indiana. He use to be the pastor when I was a little sparky in swans and I would always make him sing to me “oh solo mio” in his deep deep voice. He was a favorite!!

“ Please let David and Brenda know that my family and I send our condolences. Norman and Shirley helped my husband, Rev Richard L Anderson, and I in the mission work at Wayside Baptist. They were "part of our family" - we rejoiced w/ them in their children and knew them thru Warsaw Christian... dear friends for decades. Heaven gets looking better all the time. We send our love and prayer! Ethel Anderson for us all.

“ *Your dad lead my parents to the Lord at the Palestine Christian Church. Your mom and dad spent time in our home many times. I am so sorry for your loss. I have so many memories. You probably don't remember me but I babysat you both when your parents were at the First Baptist in Mentone.*
