“ Norm was my first Supervisor/foreman, taught me well to pay attention to detail. he also taught me to look beyond, and have compassion, drive and understanding to improve. We shared many good times over the years, lost our butts in Lake Tahoe/Reno, but recall the 4th of July gatherings at lake and was all day affair. I truly trusted him as a friend and mentor. His wife Doris was amazing support and added to life. Norman loved her, endlessly. I am so sorry to hear of his passing. My thoughts and prayers are with you, coming from the heart.
