“ *Grandma Baker as I learned to call Pat, was such a special person! I'm so sorry for the family's loss, and I know how much she'll be missed. She was always a source of laughter at our family get togethers & treated me like one of the family. Much love and sympathy, Mike and Pam Dickson*

“ *I will always miss my time spent with Grandma Baker when we were able to come to Indiana. I first learned how to play Euchre with she and Grandpa B. and I will always have those memories. I saw how much her community loved her when she took us out to eat at her favorite restaurants, I know she will be greatly missed. My love to all of the Baker Family!*
