“ Aunt Pat, I love you, I have many memories. I had to buy Pearl drop tooth paste when I was a teen because your teeth were so white and I wanted to have really white teeth too. It seems to have worked. I could go on and on but I won't. I will miss you and I love you, thanks for thinking about me and for my super soft and warm Colts blanket.

“ Such a beautiful lady, you more than a coworker to me many years ago. R.I.P my friend, I am so glad you were a believer! Heaven needed you and now you have no pain. May God hold your family close and give them peace.

“ Pat is my great aunt. I remember her teaching me how to crochet when I was little. I would go to her home in Winona Lake . Such a long time ago. Thank you Pat for being a great person.
