“ *Our thoughts are with you especially at this time. But keep those dear memories close, as they will help fill the void that will new exist for all of us. I enjoyed knowing Paul, and even worked for him a short time at the mill ... many years ago. Such a great guy!*

“ *I have so many wonderful memories of growing up with Uncle Paul, Auntie Mae and their family. Jackie and I grew up as buddies in our early years and our family events, many in Hersey, Michigan were great.*

*Our condolences to Eva Mae, Herb, Randy, Jackie and Meredith at this time... Always remember that Paul led a life well-lived and was given a send-off to heaven without too suffering. So glad he is in God's hands now and his late-life struggles are now a thing of the past.*

*Love your all,*

“ *I will forever remember Paul's gracious humour and wry smile as he came to terms with walking more slowly and awakening with horrific dreams. He was always asking me for ideas to overcome his setback --without ever complaining about where he was now. Wish I could have bottled that positive attitude! Thank you for the example, Uncle Paul.*
