“ My name is James Martinez, Debbie and I would like to tell Ray "Pop's" family how much he meant to me. I had the privilege of knowing this man for over 40 years and was part of his family for over 20 years. Next to my Father he was the Greatest man I`ve ever known. I worked side by side with this man and he always treated me with nothing but Love and Respect. He taught me so much about everything he knew and he was a very smart man. I considered him like a second father to me and he will be truly missed and leave a void in our lives that no one could ever fill. Our thoughts and Prayers are with you all and know that you are still very much a part of our lives. I know the Lord was waiting with open arm for you Pops we will always LOVE YOU but know we will see each other again. Love, Jimmy & Debbie

“ My strongest memories of Ray are his big smile, positive attitude and his great skills with his hands. He could make about about anything he wanted, from curved archways inside a house, to gorgeous stairs that would make a millionaire happy. He was my hero as a kid, because he was so special. And, most poignantly, outside of my mother and father, he was the only person to ever visit me and my wife during our 50 years of marriage. I am sad to see his time on earth is over. He was a wonderful person. I never had a real brother, but he was the closest that one could possibly have hoped for.
