The smile on her face every time I seen her. She was a happy go lucky person. She would come into my work to see me and she would always talk about how much she loved her kids. I am going to miss seeing her beautiful face.*

“ *I met Renee about 6 years ago while working at Akron Animal Clinic. I knew as soon as we met we were going to be friends. Renee and I were very similar. We both shared a passion for animals. We loved the outdoors and loved laughing and goofing around! She always extended her hand of gratitude when I needed it! We both leaned on each other emotionally when needed. Like life goes we went separate ways but continued our friendship. The call I received 2 days ago left me in shock...disbelief...and heart broken 😞 I learned that we all lost an amazing human being, and a beautiful mother with a huge heart. Renee I hope your soul is at peace now and my prayers go out to your beautiful daughter, and all of your family and friends who loved and cherished you! Never forgotten....forever missed!*
