“ *Over the 24 years I knew Roland, he spent many mornings sitting at the table in my office drinking a cup of coffee and sharing stories about his and Pam's lives and his children's and grandchildren's lives. He loved farming, motorcycle trips and red tractors, but he loved his family most, and he was so proud of each of you! He sometimes acted grumpy, but he deeply cared about others and their problems, and he was always looking for ways to help. I am saddened that we will no longer be able to hear his laugh or accept his wise words. Keep sharing his stories and every once in a while drink a barley pop in his memory. That would make him smile.*

“ Roland was one of the good people at Cardinal. A wonderful dry sense of humor. You could always be assured of where you stood with Roland. I will certainly miss him.

“ I will miss him greatly. He had a way of uplifting you and joking you through the hard times and not letting you feel sorry for yourself. He loved to joke and kid around which made a lot of days go a little better. He made me think many times by sharing his outlook on life.
