“ Rose was a wonderful and kind person. I was her first babysitting child, and she was my second mother. She treated me like a son and part of the family. There are so many great memories growing up with the family that there isn't enough space in this column to type every memory. But those memories will always be in my heart, and I will never forget how great they make me feel. She will be greatly missed.

“ I first met Rose when I moved to Burket and had my second Daughter Darlas Kay Jones, ,along with her sister Dana Leeann Jones, Rose started babysitting for me so that I could go back to work. When I became a single parent, she sometimes kept them over night so that I could work 2 sometimes 3 jobs at a time to support us, and I never feared that they were with a loving and Christain home.

Rose had so much love and compassion that I felt that I had received a second mother as well.

Thought my life where ever I loved she and the girls came and visited me and whenever I was in Indiana we always met for at least lunch so that we could catch up.

She will be missed by everyone that graced and was in her life. And I am sure that the girls and I will keep in touch the rest of our lives.

“ Rose was the best babysitter of all time, not only that, but she was like a second grandmother to me she treated all of The same. And That is why she was an amazing beautiful woman. To the families and grandchildren, most of you know me some of us have even been at your grandmas ☐. My heart is sad. I know that you are in a better place. I wish that I would've seen you more my adult life than anything else. to the ones I've known me being one of Rose kids always made me feel better. Most people don't know that I've struggled a lot throughout life and that is one thing I am more and more grateful for it just to have seen learned from Rose. To family and friends my thoughts and prayers are going out to all of you. I know that that was a lengthy post, but she meant the world to me also.

“*Rose was a special lady to the Gunter family. She was always bubbly and happy and very welcoming. We could not help but love her!*

She and her daughters supported our family by attending important events, and they even visited us when we were stationed in Hawaii. She was truly a jewel and a godly example.

We will miss our dear Rose. We will pray for God's grace to be especially evident to her family during this difficult time.
