“ *Oh mamma Rosie you were funny, stubborn, caring, and just amazing. You treated me like I was your daughter. We had lots of fun going to garage sales, going out for breakfast/lunch, shopping, and just hanging out. You helped me with my wedding and it was the best time that we had. You will forever be in my heart. I love you today, tomorrow, and Forever!*

*So many memories of Rose, Deb and I in high school. We hung out and always had a great time. We even worked at chamberlains after school and rode together to work. Prayers to her family

Rosie you were so beautiful and amazing! I first met you at age 13 when my family moved to Tiosa and became friends with you and your whole family. We shared so many great times and memories! When I married your nephew you treated me as I married one of your sons and showed me so much love and happiness! You were there for me and my children in some of the best times of our lives and there for me and my children throughout the hurdles in the family! You never gave up on me and I will forever be grateful to you for that! You were one of the best aunts I could ask for and amazing mother, wife, sister and friend to your family and all who knew you! You'll forever be in my heart and you'll always be missed! Give my love to my parents in heaven! Tell we meet again I'll be holding you in my heart! 🙏❤️🙏
