“ Growing up Scott at the time was 8 years old. He was always a delight to be around he kept us laughing all the time. One afternoon we went to a department store Ryan and Wendy was watching Scott he got up into the store window and stood like a mannequin everyone was laughing and thought that was so cute. Scott loved to make everyone laugh.

This is Ryans favorite memory of Scott. When I was 13, Dale and Jan asked me to watch Scott and Mandy for a few hours while they went out. Scott wanted to go outside and ride his bike. Once I stepped out of the house, he locked the door and didn't unlock it for an hour. He was such a funny kid. He will be missed. So sorry for your loss.
