“ I was a special needs paraprofessional at TVMS while Tehya was in school there. In her 8th grade year I had a 6th grader who absolutely refused to do any work. Tehya volunteered to come to my classroom and help with students. This particular student immediately did a complete turn around! Tehya was able to get him do do his work. I'm not sure and I don't know how she did it, but I believe they had a special bond between them. I'm thankful for all the help she gave him and me that year. She didn't have to come and help, she wanted to. That's just who Tehya was. A beautiful person both inside and out. I'll miss you sweet girl, but I'll see both you and your daddy again... Someday. Love you always Tehya.....

“ Precious T how do we really say goodbye?
Instead I say I will meet you on the other side.
Aunt D loved you thank you for coming with
Brandon to our family gatherings and
spending time with our family.
Your beautiful smile lit up your whole face and the room.
People are not suppose to leave us when they are so young yet
God called your name I am sure someone needed a guardian angel
to watch over them.
I want you to know that Brandon loved and loves you very much he
breathed you and he lived for you it breaks my heart to know that
my nephew will now mourn this and carry this all of his life as will
your mom she has been a great mom she raised you well Miss
Pretty and graced this world with a beautiful wild flower the good
things about wild flowers are they re-bloom and bring a fresh
presence every year as I know you will continue to do
