“ I will miss Teresa she was my cousin and in our younger days we were together every weekend. Things change when you get older you may drift apart but the love is still there. I am so glad I talked with her on the phone a few times before she passed. Very thankful for Rick and Sherry for taking care of her these last couple years.

Well Rick, Fran and Tracey our family is dwindling. So glad we had the family reunions when we did. None of us are promised tomorrow.

RIP Teresa your not suffering anymore!

“ Will miss my friend of 60 years. Such terrific memories shared in Windfall school and Methodist Church. Youth group and summer camp was an awesome experience we often reminisced. Teresa was definitely a "child of God" and now she has gone home to be an "Angel" for her Heavenly Father. She wrote such eloquent e-mails etc. Always full of hope and such a positive outlook on life. She soared high on the wings of the eagle.

My condolences to Rick, Fran and Tracey.

“ I am so sorry for you loss. Teresa & I became friends while working at Sears and shared many great times together. No matter where life took us we always stayed in touch. I always looked forward to hearing from her as she truly inspired me. I will miss you my friend RIP.
