“ Betty, sorry for your loss. Prayers for you and the girls.

*Been having computer problems, just got on line to see if the arrangements were done and see we missed the service. The Warsaw paper never had the final info in. We would have been there had we known.*

“ Oh how I'm sorry I've lost touch with the Rohrer family. Always had a good time visiting there. I remember the childhood years, Terry teaching me Canasta on his bedroom floor and racing minibikes around the yard (and getting my foot busted!).
