“ I am deeply saddened by the loss your family is experiencing. Ted was a fellow student and team mate at LaPaz schools. I recently have had the opportunity to reconnect with Ted at the LaPaz alumni banquets. I have many good memories of Ted and the alumni events will not be the same without his presence. I understand Ted was a man of faith and is now with the Lord. My thoughts and prayers are with the family.

“ Ted Holland was a family man, upright, trustworthy, and a believer in Jesus Christ. When we visited with him the last time he was not afraid or worried. He was at peace knowing where his eternity would be spent. We look forward to that future with him with Jesus.

“ Even though we don't see your family very often since we moved from Bourbon, we have many fond memories of all you! I will always cherish the memory of the picnic we had with all of you up at Potato Creek State Park...you guys could spit Cherry pits like no one I had ever met! Seriously Ted and Peggy were a great example for us when we were first married, both for a godly marriage and as godly parents. I am grateful for the time we got to spend with Ted, I am so sorry for your loss, but I know Ted is in Heaven worshipping God like he never has been able to before, so I hope this gives you peace. You are all in our prayers and thoughts! Diane Overmyer

“ I wish to send my condolences to you all. I worked with Ted at RRD's for many years. He was a good man to work for. A memory I would like to share with you is that he had a wooden train whistle that he had rigged up to the airline. We would make it whistle at lunch time and at times we would practice making it whistle in different ways. Needless-to-say, we did have fun while we made books.

Again please accept my condolences and know that you are in my prayers.

*Ted was a good friend as a classmate through the LaPaz school years. It has been good to reconnect with him at recent LaPaz alumni reunions. I have great memories of those early years at LaPaz as we were fellow students and basketball team mates. My thoughts and prayers go out to Peggy and the family.*
