“ Still thinking of Pappaw often, a year later. You were a great man, and taught me a lot. My daughter also brings you up from time to time too, he will never be forgotten. All of the Christmas times, and activities we did together are memories that will never go away. Awesome guy, and I miss him.

“ Was always so uplifting when we had an encounter. So much looked forward to the time you would come out to the golf course. You always had such a positive outlook on life and were a true inspiration to me. Obviously God needed your help and called you home. Although you will be greatly missed I know your work continues. R.I.P. my friend. Hopefully we will meet again.

“ To Vicki and family, I am at a loss to express how very sad we are to have lost such a wonderful gentleman, Tim. He was such a kind and loving young man, and we will miss him terribly. His presence would like up a room and make anyone feel so important. I know he is Heaven just waiting for our arrival one day. I loved how he loved us all. May God wrap his loving arms around you during this time. I am sorry for all of you, but oh so happy for him. Love you, Syl

“ *We are so sorry that Tim passed away long before his time. We don't understand God's will, I only know that Tim would not want to return to this earth. I think he is more than willing to wait for you to join him. I worked at Donnelley's also and always enjoyed being with Tim and Noma. I loved Tim's chuckle and laugh. My wife and I pray for you and your family during this time.*
