“ *My sweet Tim-I enjoyed coming to visit your mom, my dear friend-Nancy, and seeing you, Eldora/her boys, and Brittney/her boys. Great memories. I always felt welcome and part of the family. I will always treasure those warm visits. Sure going to miss you. You had a lot of responsibilities, but you always cared and plowed through some health, personal hardships to keep the family together. I admire you ❤️ Laura*

“ *I was blessed with the opportunity to be Tim's step mom. He was such a fun little boy. Every weekend asking for manicotti. I spoke to him just a few days before he left this life. He told me he stills loves and we wished he hadn't lost so much time being family. He loved his sister and momma so much. Now he is with them. He is happy again. Timmy... I love u son.*

“ I remember after one of my own twins passed away, we would two of everything, one for Ray & one for Tim, he was born 3!weeks before my twins were. And it helped us to cope to be able to buy two of everything, like we were buying for twins! And he was always like my son !
