“ A lot of memories with Todd when we were younger. It all started as Burket Hawks teammates. We swept both 4th and 5th grade I might add. I will say I was never fouled harder by any one player in high school as I was by Todd in practice. He made me a tougher player. I coached for 25 years and I spoke about him every year I coached. Will be thinking of Jenny , the kids and the entire Nelson clan.

“ *Jim and I have been sharing a lot of memories over this past week. With those stories, we have had a lot of laughs and shed a lot of tears.*

We called Todd our Raj (Big Bang Theory reference) He was so painfully shy when Jim and I were first married that if I answered the door when he came around, he would look at the ground and could not talk to me. A memory that really sticks out for me was when I was 9 months pregnant and Jim and Raj... I mean Todd went to their 5 year class reunion and stayed out til 4:00 a.m. I never did learn who kept who out, but I know they had a good time. Todd will be missed at their upcoming 35th class reunion this summer.

Our hearts are in pieces.
