“ *Judy was Doc's right hand, I remember that going back to the 1950's in rural Mentone. When we needed a vet to save one of our animals this team was there. My family thought highly of both of them. Prayers for the entire family, especially my cousin Deb and Jim.*

“ My heart is so heavy with the passing of a true wife, mother, grandmother, sister and such a dear, long-time friend. This world has lost such a beautiful lady who always loved life and her God, and Heaven just gained another angel. I loved this lady and her family as if they were my own. Judy, get the peace and rest you so much deserve but remember how much you will be missed and oh, how much you have been loved.
