“ We are so sorry to hear of Marty's passing. It is sad to think we have lost her, Eileen and mom (Gladys) in less than a year, It was good to see her at last year's reunion. Our thoughts and prayers are with all of you during this difficult time. May all the wonderful memories sustain you in the days to come. Roger and Melinda Ansel

“ My favorite part of going to grandmas house was her jewelry. I would empty her jewelry box and try on every piece all at once. I thought she was the richest person in the world.

I also loved going on the boat, fishing. Watching grandma clean the fish and cooking them right there. Pardon my language, but granny was a bad ass! She would chop those fish heads off with one clean cut. It was amazing.

Of course the very best thing was how grandma made us each feel like we were her favorite. Shhhh don't tell anyone, but it was me! I'm the fav!!!

“ My Oma was the best. She will be greatly missed. Living far away growing up, looked forward to our family trips from El Paso, TX to Columbus, OH. I remember pulling up to their house, running up the steps, in the door and being greeted with big hugs and lots of love. Then us Watrus kids would run to the kitchen, open the special cupboard and grab mason jars with holes poked in the lids. Then it was of to the backyard to wait for the best light show EVER... Fireflies! We'd run around catching them while the grownups laughed. I even got to share that tradition with my daughter. Love you Oma... I'll see you again!
