“ *My deepest sympathy for the Overholt family. 2 Corin. 1:3,4 reads: Praised be the God and Father of our Lord Jesus Christ,the Father of tender mercies and the God of all comfort, who comforts us in all our trials so that we may be able to comfort others in any sort of trial with the comfort that we receive from God. I pray you find much comfort from the scriptures.*

Remembering Violet Overholt

Last fall I was thinking about when my family was living on North West Street in Warsaw. I was 2-4 of age, and my brother was a baby or toddler. Our neighbors were Mrs. Overholt and her daughter Violet, and my brother and I would run over to visit the ladies. Their house was different than ours, so to us little kids it was something to see. They would be baking cookies many times when we went over to see them. They had a wood heater in the kitchen to cook and to heat the house, and they had an outdoor toilet out back (something new to us kids).

Sometimes Violet would come over to babysit us while our parents went out. Even after we moved to South Union Street my Dad would pick up Violet, and she would take care of us. My sister who is 7 years younger than me also remembers Violet in our home.

I was so sorry about the recent passing of Violet, especially since she came to mind last fall and saw on the Internet that she lived in Mentone. I wished I had taken the time to go visit her or at least asked about her.

Our parents were George “Bing” and Dorothy Snyder; kids are Randy, Linda and Christine.

Happy times from the past . . .

Sincerely,

Linda K. Snyder Smith
