“ *Hi Linda and Family, and Marie and Family,*

So sorry to hear about Wally's passing. She was a woman who marched to her own tune and did things her way for sure! She dressed so nice, and always wore her hair up in a fancy do. I always saw her with make up, a smile and friendly chit chat. She was a excellent house keeper - doillies and lace everywhere. I know you did all you could for your Mom over the years, and I know she really proud of you both. I will always be appreciative to you Linda, for the time you gave to Dad in his last nights and I know you showed the same love and concern for your Mom in her last days.

Lots of Love, Fran & Carl Griner and all in Florida.

“ Remembering the many summer walks to Wally's (my sister in law) and walking with her and looking at all her flower beds. I always came home with pockets of seeds to plant in my gardens or starts of flowers such as 'Forget me Nots' and 'Sweet William'. One summer our young granddaughter walked to Wally's for crochet lessons. :) Also was thinking of the early years and the Christmas eve's we would dress up our four children and go to Wally and Eddie's for dinner and opening Christmas presents. She had a tradition of baking cut-out sugar cookies and hanging them on her Christmas tree. Her home was decorated beautifully all year round. Anyone that ever visited Wally's home, knew she had the God-given gift of interior design! Sending love and understanding to Marie and Linda for the loss of their Mom and to Heather, Heidi and Jacob for the loss of their Grandma. Sincerely, Janie and Dick Teel
