Wanda was my first grade teacher at Aubbee Elementary School. She instilled the love of reading in the classroom, which has stayed with me throughout my life and in my career of teaching as well. She was very creative in the classroom and would try new things to reach her students. I also had the privilege of teaching with Wanda at Culver Elementary School for many years before her retirement. Thank you Wanda for touching the lives of the many students that walked into your classroom each year! God Bless YOU!

We grieve along with you at the passing of Wanda--your wife/mother. Even though the years and miles have separated us, we treasure the fond memories we have of you and the encouragement and help you gave us during our years at the Wabash church. “ *She was my son's best teacher. He was very shy but she understood that and took care to not let him miss out on anything. This world was a better place with her presence and will be less without her.*

“ *Wanda radiated peace and joy. It is a great pleasure to count her as a friend. I got to know her when she came with Jerry to our Woodstock class reunions. She quickly became part of our class, and we loved having her with us. She is a very special person!*

“ Wanda was the music at all of our Woodstock reunions. She guided us in singing all the old Woodstock songs, most notably "Shadows" our beautiful school song. She also accompanied anyone attempting to share a musical memory with the group, like when my sister Carole and I tried to replicate our version of "Sisters" that we did for our talent show at Woodstock 50 years before. She was an integral part of our class gatherings, was loved by all, and admired for her strength in fighting her long health battle. And Jerry, you have been a loving and strong care giver for so long. I send my deepest sympathy and most sincere hope that you can find some solace in knowing how we all loved Wanda, and in the many happy memories you must have. Love, Judy Carpenter

“ I will forever remember Wanda as such a warm and loving soul. She was patient and funny and very thoughtful. She was strong and humble. She embodied beauty and grace as she battled Cancer. I was very young when Pastor Jerry and Wanda were in Wabash but I have some of the most wonderful memories. I remember vividly Wanda teaching me the following song.

J.O.Y

*"Jesus and others and you,
What a wonderful way to
spell joy!*

*Jesus and others and you,
in the life of each girl and
each boy.*

*"J" is for Jesus, for He has
first place,*

*"O" is for others you meet
face to face,*

*"Y" is for you, in whatever
you do.*

*Put yourself third and spell
JOY. "*

*I know her departure on earth is sad, but what JOYous celebration
in heaven they are having!*

*Much Love,
