“ Prayers and thoughts to Will's family. I truly still have a place in my heart for Will. We had some great moments on and off the golf course. I will always be grateful to him for teaching me to use a driver....May he hit them long and straight in heaven.

“ I am so sorry for the family's loss of Will.....I felt shocked when I saw his name in today's paper.....  
Will and I had such great times and such not so good times, but I always have kept a soft spot in my heart for him.....and I will always keep that special place in my heart.....I think this picture was either taken at his sister's place in Ky, with us sitting on her front porch swing or at his niece's wedding in Warswaw.....either or, he looks wonderful.....will miss him forever
