“ I was a friend of Woody's and Fay's for 40 years. Woody was just like a father to me and will be missed by us all. We had so many good times enjoying ballgames and working at his loved poultry plant. The poultry industry lost a pioneer who was always fair and a caring listener to his employees. I will cherish my memories of this family.

“ We loved our neighbor, Woody! He and Dexter stopped 2 or 3 times a day because he needed to check on us. Woody was a good ole Southern Gentleman, and when I told him how much I loved grits....guess what he ordered for me. Grits from the South. I will truly think of him every time I cook a batch. Rest in Peace. Now your heart is full once more with Faye by your side, walking hand in hand down those Heavenly streets of gold.

We express our deepest sympathy to all of Woody's family. He will be so missed on Oak Street.
